Nālandā
UNIVERSITY

**An Avant-Garde International University under the aegis of Ministry of External Affairs, GoI.
(Established by an Act of Parliament of India)**

SCHOOL OF BUDDHIST STUDIES, PHILOSOPHY & COMPARATIVE RELIGIONS

The **School of Buddhist Studies, Philosophy & Comparative Religions** has been functioning since 2016-17 and growing academically and logistically. It offers two Masters programs, namely – MA in Buddhist Studies, Philosophy & Comparative Religions and MA in Hindu Studies (Sanātana Dharma), along with the Global PhD program. These programs consist of a composite curriculum consisting of a History of Hindu and Buddhist traditions, a text-based study of different philosophical systems of India and a Comparative Study of Religions. The School also offers separate training in classical languages such as Pali, Sanskrit, and Tibetan to facilitate the reading of the primary Hindu and Buddhist texts. The skills imparted to students extend from rigorous reading of literary and philosophical texts to archaeological training.

ADMISSION ANNOUNCEMENT: 2024 - 26

Nālandā
UNIVERSITY

An Avant-Garde International University under the aegis of Ministry of External Affairs, GoI.

(Established by an Act of Parliament of India)

School of Ecology and Environment Studies

The **School of Ecology and Environment Studies (SEES)** is one of the first schools at the Nalanda University, which commenced its academic programme in August 2014. The School traverses a broad range of academic pursuits across natural sciences and social sciences, to promote education and research on the interactions between the natural environment and human activities. Rooted in the tradition of the ancient Nalanda University, the School aspires to generate critical understanding that will benefit the globe. The School also seeks to bridge the current gap in the study of environmental issues between the Western and the Eastern perspectives. It addresses pressing local, regional and global environmental problems of our times through education, research, collaborations, and policy recommendations.

ADMISSION ANNOUNCEMENT: 2024 - 26 MSc (ECOLOGY AND ENVIRONMENT STUDIES)

School of Historical Studies

Inspired by the glorious scholastic tradition of ancient Nalanda, the **School of Historical Studies** is engaged in a systematic and rigorous enquiry into some of the fundamental issues that concern the field of historical studies. The School rests on a multi-disciplinary approach, aimed at opening new frontiers of knowledge and experience in Asian contexts and beyond. Faculty members carry a multi-disciplinary background and research profile in pre-modern and modern history of India and Asia, social, cultural and religious history, art history, international relations, marine history, economic history, Buddhism and philosophy, archaeology and anthropology thus, uniquely poised to mentor students in multiple fields of research and teaching from a comparative, as well as, cross-disciplinary approach.

ADMISSION ANNOUNCEMENT: 2024 - 26
